The [A]hills were alive with wild [D]flowers and [A]I
Was as wild even [E7]wilder than [A]they[A]
For at least I could run they just [D]died in the [A]sun
And I refused to just [E7]wither in [A]place

Just a [D]wild mountain rose needing [A]freedoms to grow
So I [D]ran fearing not where I'd [A]go-o-[E7]o
When a [A]flower grows wild it can [D]always sur[A]vive
Wildflowers don't [E7]care where they [A]grow[A]

And the [A]flowers I knew in the [D]fields where I [A]grew
Were content to be [E7]lost in the [A]crowd[A]
They were commonly close I had [D]no room to [A]grow
And I wanted so [E7]much to branch [A]out

So I up[D]rooted myself from my [A]home ground and left
Took my [D]dreams and I took to the [A]road-o-[E7]oad
When a [A]flower grows wild it can [D]always sur[A]vive
Wildflowers don't [E7]care where they [A]grow [A]

I grew [A]up fast and wild and I [D]never felt [A]right
In a garden so [E7]different from [A]me[A]
I just never belonged I just [D]longed to be [A]gone
So the garden one [E7]day set me [A]free

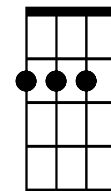

I hitched a [D]ride with the wind and since [A]he was my friend
I just [D]let him decide where we'd [A]go-o-[E7]o
When a [A]flower grows wild it can[D]always sur[A]vive
Wildflowers don't [E7]care where they [A]grow [A]

Just a [D]wild rambling rose seeking [A]mysteries untold
No re[D]gret for the path that I [A]chose-o-[E7]ose
When a [A]flower grows wild it can [D]always sur[A]vive
Wildflowers don't [E7]care where they [A]grow
