Thanks to Frank de Lathouder

[G] Catch a falling star [C] and [G] put it in your po-[C]cket,
 [G] never let it fade [C] a-[G]way.
 [G] Catch a falling star [C] and [G] put it in your po-[C]cket,
 [G] save it for a rai-[C]ny [G] day.

For [C] love may come and tap you on the shoulder,
 [G] some starless night,
 And [C] just in case you feel you want to hold her,
 [G] (stop) you'll have a po-[D7]cketful of star light.

[G] Catch a falling star [C] and [G] put it in your po-[C]cket,
 [G] never let it fade [C] a-[G]way.
 [G] Catch a falling star [C] and [G] put it in your po-[C]cket,
 [G] save it for a rai-[C]ny [G] day.

[G] [C] [G] [Dm6]

For [C] when your troubles start to multiplyin',
 [G] and they just might,
 It's [C] easy to forget them without tryin',
 with [G] (stop) just a po-[D7]cketful of star light.

[G] Catch a falling star [C] and [G] put it in your po-[C]cket,
 [G] never let it fade [C] a-[G]way.
 [G] Catch a falling star [C] and [G] put it in your po-[C]cket,
 [G] save it for a rai-[C]ny [G] day.

[G] Save it for a rai-[C]ny [G] day,
 [G] (slowly) Save it for a rai-[C]ny [G] day.

[G] [C] [G] [C] [G] [C] [G]
