 Anyplace is better Starting from zero got nothing to lose

VERSE [F*/ F/ F*/ - C*] [Am9 - G]
 You see my old man's got a problem He live with the bottle that's the way it is
 He says his body's too old for working His body's too young to look like his
 My mama went off and left him She wanted more from life than he could give
 I said somebody's got to take care of him So I quit school and that's what I did

Break

CHORUS F F C C
 I remember we were driving, driving in your car Speed so fast I felt like I was drunk
 Am Am G G
 City lights lay out before us and your arm felt nice wrapped 'round my shoulder
 [F - C] G G
 I - I had a feeling that I belonged
 [F - C] G G F G/
 I - I had a feeling I could be someone, be someone, be someone

BREAKx2 [F*/ F/ F*/ - C*] [Am9 - G]

VERSE [F*/ F/ F*/ - C*] [Am9 - G]
 You got a fast car We go cruising to entertain ourselves
 You still ain't got a job I work in a market as a checkout girl
 I know things will get better You'll find work and I'll get promoted
 We'll move out of the shelter Buy a bigger house and live in the suburbs

Break

VERSE [F*/ F/ F*/ - C*] [Am9 - G]
 You got a fast car Is it fast enough so we can fly away
 We gotta make a de-cision Leave tonight or live and die this way
