**[C] [Dm] [F] [C] [Bb] [C] [G] [F]**

**[C]** There's a light.  
**[Dm]** A certain kind of light  
**[F]** That never shone **[C]** on me.  
**[Bb]** I want my life to be **[C]**  
 Lived with **[G]** you  
 Lived with **[F]** you

**[C]** There's a way  
**[Dm]** Everybody say  
**[F]** To do each and every **[C]** little thing  
**[Bb]** But what good **[C]** does it bring  
 If I ain't got **[G]** you  
 Ain't got **[F]** - Hey baby

**[C]** You don't know what it's **[G]** like baby  
**[F]** You don't know what it's **[C]** like  
 To love **[G]** somebody  
 To love **[F]** somebody  
 The way I love **[C]** you **[G]**

In **[C]** my brain  
**[Dm]** I see your face again  
**[F]** I know my frame of **[C]** mind  
**[Bb]** You ain't got to be so **[C]** blind  
 And I'm so **[G]** blind  
 So terribly **[F]** blind - Hey baby

**[C]** You don't know what it's **[G]** like baby  
**[F]** You don't know what it's **[C]** like  
 To love **[G]** somebody  
 To love **[F]** somebody  
 The way I love **[C]** you **[G]**

**(Sing this part too)**

**[C]** You don't know what it's **[G]** like baby  
**[F]** You don't know what it's **[C]** like  
 To love **[G]** somebody  
 To love **[F]** somebody  
 The way I love **[C]** you **[G]** **C**
