

Love's old sweet song (1996) (video)

C - G7 - C - G7 (2x)

C G G7
 1. Once in the dear dead days beyond recall,
 G G7 C
 when on the world the mists began to fall,
 C F G7 C
 out of the dreams that rose in happy throng,
 C Am D G
 low to our hearts love sang an old sweet song.
 Dm Am
 And in the dusk where fell the firelight gleam,
 D Em Am G D7 G - G7
 softly it wove itself into our dream.

C G G7 C
Just a song at twilight, when the lights are low,
 E Am D G - G7
and the flick'ring shadows softly come and go.
 C G G7 E
Though the heart be weary, sad the day and long,
 C C7 F C G G7 C
still to us at twilight comes love's old song,
 F C G7 C
comes love's own sweet song. + G7 - C - G7

C G G7
 2. Even today we hear love's song of yore,
 G G7 C
 deep in our hearts it dwells for evermore,
 C F G7 C
 footsteps may falter, weary grow the way,
 C Am D G
 still we can hear it at the close of day.
 Dm Am
 So till the end, when life's dim shadows fall,
 D Em Am G D7 G - G7
 love will be found the sweetest song of all.
