Walls By Tom Petty

Intro G DDD U DU

G

Some days are diamonds Em Some days are rocks C Some doors are open D Some roads are blocked

G Sun downs are golden Em Then fade away C But if I never do nothing D I'll get you back some day

NC C G Cause you got a heart so big C G It could crush this town Am Em And I can't hold out forever D G G Even walls fall down

G And all around your island Em There's a barricade C It keeps out the danger D It holds in the pain

G Sometimes you're happy Em Sometimes you cry C Half of me is ocean D Half of me is sky

NC C G Cause you got a heart so big C G It could crush this town Am Em And I can't hold out forever D G G Even walls fall down

[Solo] G Em C D

(Down strokes) G And some things are over Em Some things go on C And part of me you carry D Part of me is gone NC C G Cause you got a heart so big C G It could crush this town Am Em And I can't hold out forever D G Even walls fall down

C G Baby, you got a heart so big C G It could crush this town Am Em And I can't hold out forever D G Even walls fall down

G Em C D G
